The Manufacturing Indaba 2017 Business Matchmaking Program affords you the opportunity to meet and engage with this year's high-level speakers, exhibitors, sponsors and delegates on a one-on-one basis at the Manufacturing Indaba. For this, we have partnered with Outsmart Marketing, a dynamic company that has already worked on a number of high-profile events on the African continent.

Using the most sophisticated technology in the industry, the Manufacturing Indaba Matchmaking Program promises return on your investment. It is uniquely designed to help you to make the right contacts, fulfill your business and target market objectives, and establish long-lasting and valuable contacts in the manufacturing sector.

### How the Manufacturing Indaba Business Matchmaking Program works:

**1. Individual profiling**

Using the information that you provide, as well as our added background research, we will develop your own unique profile. Our matchmaking software will then apply your purpose and goal at the Manufacturing Indaba in its database search of contacts that are most suited to your needs.

**2. Intelligent matchmaking**

Once we have established your key contracts, you will be able to go online and select the person or company with which you would like to interact with. When you have reached a decision, you may send 'meeting requests' - and let the matchmaking begin!

**3. Pre-Scheduling meetings**

We will ensure that meetings are duly confirmed through the online private diary for tracking a meeting's status and conferring over details such as suitable times.

**4. Central meeting venue**

An email or text reminder will be sent to both participants for meetings in a pre-confirmed area at the Manufacturing Indaba.

### **INDEMNITY / DISCLAIMER OF LIABILITY**

The exhibitor and/or the sponsor agrees to indemnify and hold the organiser harmless against any loss, damage or claims suffered or incurred by the organiser as a result of or in connection with any act or omission of exhibitor or its agents or contractors except to the extent that any such liability, damage, claim or loss arises as a result of gross negligence or willful misconduct on the part of the organiser or any breach of statutory duty on the part of the organiser.

### **PAYMENT AND CANCELLATION OF EXHIBITION STAND BOOKINGS, OR CHANGES TO THE TYPE OF STAND ORIGINALLY RESERVED PAYMENT:**

- a) On receipt of a confirmed exhibition booking, the organiser will issue an invoice to the exhibiting organisation. The invoiced amount is payable on presentation i.e. payment is to be made in full within 30 days of the date of the invoice, failing which the exhibition space will be made available to any organisation who wishes to reserve it.
- b) We have a very strict ruling that no exhibitor may start to build their stand, or to exhibit, if their stand is not paid for in full in advance.
- c) For “last-minute bookings” made after 5th June 2017, payment must be made to the organiser by the start of the exhibition build-up i.e. before Friday 23 June 2017.

### **CANCELLATION POLICY:**

We have to face a lot of un-recoverable costs if there is a cancellation.

- a) Therefore, if an exhibitor cancels a booking that has been confirmed when there are still 8 calendar weeks (before or on 3rd May 2017) to go before the start of build-up of the exhibition, a fee of 50% of the value of the stand(s) booked will be payable by the exhibitor.
- b) Any time from 8 calendar weeks until 3 calendar weeks (before/ on 5th June 2017) prior to the start of build-up of the exhibition, the cancellation fee will be 75% of the value of the stand(s) booked.
- c) A cancellation fee of 100% will be charged for any cancellation made any time after the 6th June 2017
