

Get Ready to Meet the Game Changers of Manufacturing - Manufacturing Indaba Exhibition 2023

Johannesburg, 16 October 2023 — The manufacturing world is gearing up for the most highly anticipated event of the year, the Manufacturing Indaba Conference & Exhibition 2023. This year's exhibition promises to be bigger and more dynamic than ever before, featuring a spectacular line-up of exhibitors who are driving innovation, shaping the future, and transforming the manufacturing landscape.

The Manufacturing Indaba Exhibition - An Overview:

Date: 24 – 26 October 2023

Time: 09h30 – 16h00

Location: Sandton Convention Center, Sandton, Johannesburg

Website: <https://manufacturingindaba.co.za>

Theme: Capitalising on manufacturing growth in Africa

A Diverse and Dynamic Lineup:

The Manufacturing Indaba Exhibition will host a diverse array of exhibitors, ranging from industry giants to cutting-edge start-ups, showcasing the latest advancements in manufacturing technology, products and services. This year's exhibition will feature exhibitors from various sectors, including but not limited to:

Machinery and Equipment: Discover the latest in manufacturing machinery and equipment, from vehicles, machines to cutting-edge robotics and automation solutions.

Technology and Innovation: Explore the future of manufacturing with innovative software solutions, digital transformation tools, and Industry 4.0 technologies.

Sustainability and Green Manufacturing: Learn about eco-friendly and sustainable manufacturing practices and products that are reducing the industry's environmental footprint as well as providing energy solutions to manufacturers.

Workforce Development: Connect with exhibitors offering training and development solutions to empower the manufacturing workforce for the challenges of tomorrow.

Research and Development: Discover ground-breaking research and development initiatives that are shaping the future of manufacturing, from materials science to product design.

Source financial solutions: Meet the financiers exhibiting offering financial solutions to manufacturers to help them expand their manufacturing capabilities.

Why Attend the Exhibition:

The Manufacturing Indaba Exhibition provides a unique opportunity to:

Network: Meet and interact with exhibitors, industry leaders, and fellow manufacturing professionals.

Learn: Gain insights into the latest trends, technologies, and best practices in manufacturing.

Collaborate: Explore potential partnerships and collaborations with exhibitors to enhance your manufacturing operations.

Discover Solutions: Find solutions to your manufacturing challenges, whether it's increasing efficiency, reducing costs, or improving sustainability.

Stay Informed: Stay ahead of the curve by keeping up with the latest innovations and developments in the manufacturing industry and join the free exhibition seminars taking place throughout the exhibition days.

Don't miss your chance to meet the innovators, disruptors, and industry experts who are shaping the future of manufacturing at the Manufacturing Indaba Exhibition. Join us in Johannesburg for an unforgettable experience!

About the Manufacturing Indaba

Manufacturing Success for Africa

24 – 26 October 2023 | SCC, Johannesburg, South Africa
Conference & Exhibition (In-person only)

2023 Theme

CAPITALISING ON MANUFACTURING GROWTH IN AFRICA

Exploring manufacturing business opportunities for manufacturing growth and development in Africa

The annual [Manufacturing Indaba](http://www.manufacturingindaba.co.za) will be celebrating its 10th edition in 2023, marking a decade of forging powerful partnerships between stakeholders in the manufacturing sector, which have resulted in positive outcomes for individuals, companies, nations, and the continent as a whole. Given the impact of the pandemic, all nations require efficient industrial bases to meet the changing needs of a globalised world. Southern Africa has developed a robust and diversified manufacturing base that has shown its resilience and potential to compete in the global economy.

Collaboration and investments by both public and private stakeholders in the manufacturing sector are essential for regional and continental growth. The annual Manufacturing Indaba aims to bring together manufacturing business owners, industry leaders, government officials, capital providers, and professional experts to explore opportunities and grow their manufacturing operations.

The Manufacturing Indaba is the leading manufacturing event in Africa. The event has proved its value in catalysing business connections and helping manufacturers to innovate and grow to achieve their potential.
