

## **Manufacturing Indaba Eastern Cape 4-5 October 2019**

The annual Manufacturing Indaba Eastern Cape roadshow brings together provincial manufacturers and businesses to find out more about growth opportunities, the latest manufacturing incentives and trends, and provides a platform for networking and collaboration.

The Eastern Cape economy shows great potential for the growth of existing industries and the establishment and growth of export-oriented industries.

The conference programme will include plenary and debate sessions to unpack and encourage active participation at the event. The exhibition provides an opportunity for manufacturers to showcase their expertise, network with industry peers and meet business suppliers.

Topics that will be discussed at the event include the challenges and opportunities facing the South African manufacturing sector in the next five years; access to finance; and strategies for growth and competitive advantage.

The indaba will take place at the Boardwalk Conference Centre, Hotel and Spa in Port Elizabeth from 4-5 October 2019. For more information, go to visit <https://manufacturingindaba.co.za/mi-ec/>

## **African Agri Investment Indaba 19-20 November 2019**

The African Agri Investment Indaba (AAll) focuses on agri-food investment in Africa. Over 700 key stakeholders including governments, banks, financiers, investors, project owners, project developers, commercial farmers and the agro and food processing industry will come together to discuss trends that will influence food and agribusiness economics in Africa over the next decade.

Organised by the African Agri Council in partnership with African governments and government agencies, delegates at the AAll will include decision-makers from across the agri value chain.

The event will take place at the Cape Town International Convention Centre in Cape Town from 19-20 November 2019.
