

MANUFACTURING BUSINESSES INVITED TO PARTICIPATE IN THE 2020 FACTORY OF THE YEAR COMPETITION

The Department of Trade & Industry is a partner and sponsor of the 2020 Factory of the Year competition. Factory of the Year is a global annual benchmarking competition that has been running for over 25 years and is recognised as the toughest test for companies in the production industry.

The competition has benchmarks and best practices for factories across all industries and over 30 countries. Manufacturing businesses which wish to participate in the competition are invited to visit www.safactoryoftheyear.co.za for further details. All submissions must be received by 31 October 2019. The winners will be announced in June 2020 at the Manufacturing Indaba. Participation is open to and encouraged across all manufacturing segments.
