WE ARE GOING VIRTUAL

EXHIBITION & CONFERENCE

Manufacturing Indaba will now take place in the form of a virtual event on 9 – 10 December 2020 and attendance will be free of charge. Our virtual event will allow companies and clients to interact safely with each other and keep their business goals rolling this year.

The Manufacturing Indaba will provide exhibitors with a unique set of benefits that will enable you to:

- **PROFILE YOUR COMPANY**
- **CREATE BRAND AWARENESS,**
- **ENGAGE WITH EXISTING CLIENTS**
- **FIND NEW BUSINESS**

JOIN US IN THE EXHIBITION REVOLUTION!

Cost of the stand: R18 500 ex VAT

The exhibition package offering includes:

A VIRTUAL PLATFORM whereby you will create a virtual booth unique to your company

The added benefit of the platform being **LIVE FOR A MONTH** is so that you can continue the conversation with the participants for longer, and through this method meet many more potential new clients

A live chat function, whereby visitors and conference delegates can speak to you directly

VIDEO PRESENTATIONS

The page will include a video that you can play showcasing what your company does. *(company to provide the video)*

MEET ONLINE

A meeting table where you can have direct video conversations with clients

DIGITAL POWER

You can upload your company brochure, images and videos of your products

Links to your website and **SOCIAL MEDIA PLATFORMS**

MARKETPLACE

View the participants and reach out to them to meet with you

EXHIBITOR E-HANDBOOK

List your company with a 100 word profile and logo in the Manufacturing Indaba Exhibitor e-Handbook that will be sent out to all participants

FREE CONFERENCE

Attend all the conference sessions at no cost

Invite your clients to join the conference at no cost using a company branded invitation (you can create this) and meet with them during the event, creating incredible added value for you and brand loyalty with your existing clients
